

If you have
visited Turkiye
for your
health,
Let Sompo be
your
assurance

SOMPO

Complication
Insurance

COMPLICATION INSURANCE

You are covered for 6 months beginning from starting date of the policy in cases where revision or operation is required to be renewed after the operation you have in Turkiye due to complications that may arise from this operation.

WHAT ARE THE ADVANTAGES OF COMPLICATION INSURANCE?

- + If you are residing abroad and coming to Turkiye for health tourism, you are insured against complications that may occur after your dental, hair transplantation, eye or aesthetic and obesity surgery operation in accredited hospitals and clinics in Turkiye.
